

Mill Hill
PRIMARY SCHOOL

Mill Hill's Parent Voice Needs YOU!!

Here at Mill Hill Primary school, our parents are an integral part of making our school as wonderful as it is. For this reason, your opinions matter to us, and we like you to have your say in your child's school journey.

Several of our staff members, Mrs Marshall and Mrs Dowdeswell are looking for parents to help them in building a new community, for parents to talk about and organise events throughout the school year, which could be events like discos, fayres, or raffles etc. Events in school will not only provide the children of Mill Hill with more enrichment, but it will also greatly help with raising funds for better playground equipment, books for our library, and maybe with your help we could raise enough money for a new school minibus, as we were not sure our old classic red bus has many more years left in her.

None of this can be possible though without the help from you.

So, if you would be happy to join a WhatsApp group of likeminded adults all wanting to give the children of Mill Hill a better primary school experience than they already get and would be willing to help at any of the events that you can to help the smooth running of them, then great. 👍

Your child's class teacher will have a sign-up form on them for the next 2 weeks. Please pop your name down and sign up as we intend this to be lots of fun.

And hurry, we are hoping our first event be at Halloween!!!!
