

Monday 11th July 2022

Dear parents/carers,

During the autumn term, we introduced our new school values as well as changing the uniform colour. These have been a focus of our school life and we talk about them with the children at every opportunity.

Last year, key stage 2 classes took part in some new sports to help them to understand what these values mean in practice and for them to build a relationship with their new class teacher. Due to the success of this, we have decided to do this again in September as part of the first week in school.

Most children will travel by minibus and some children will go in the car with a member of staff where the class size is bigger than 27. All children will need to wear PE kit for this event. Please note that Years 3 and 5 will be leaving the venue at 4.30pm so we will be expecting them to be collected at approximately 5.00pm. There will be no hot dinners for key stage 2 on their trip day so please indicate if you would like to order a packed lunch from our kitchen for your child. The school is using part of the sports funding to allow all of the children to participate in this but would welcome a £5 contribution from each child in key stage 2 towards the cost of transport.

Please see below for details about your child's day:
