

Dear Parents/ carers,

Our school needs you!

As confirmed last week the Federation of Mill Hill Primary and Woodcroft Primary will cease on the 3rd January 2021. What this means is that Mill Hill Primary School will need its own governing body and at least two Parent Governors.

Are you interested in developing your skills?

Are you willing to develop in a role?

Are you interested in children's education?

Do you have some spare time?

If you can answer yes to these questions then we need to hear from you!

The role of the governors is to support and challenge the leadership team at Mill Hill to constantly improve the education for your children. Focused on our pupils, our school and our community, this is an opportunity to improve outcomes for those children who currently and in the future will attend Mill Hill Primary School.

You will receive a comprehensive and tailored training package that will support you in your role and provide you with a range of transferable skills. This is a chance to join a new team of governors who will be learning together, as we take the school forward.

Having parental voice on our governing body is essential in ensuring that the governance of Mill Hill is robust and reflects all of our stakeholders. We need to appoint two parents before the new governing body commences on the 4th January 2021.

Please make a difference and contact the school office to arrange an informal discussion with Marie Hattersley (Chair of Governors) or myself, where we will gratefully answer any of your questions.

It is vital that we fill these positions as soon as possible and ensure that as we move beyond the federation we have a strong governing body to help the strategic direction of Mill Hill Primary School.

Yours Faithfully,

Mrs Morgan

Headteacher
