

We would like to continue to support Children in Need this year. The focus of the appeal this year is encouraging positive mental health and wellbeing within everyone, especially amongst children.

Joe Wicks, who kept us going so magnificently during the earlier Lockdown period, is doing a 24-hour exercise challenge and he is inviting schools to join him for the last few minutes, via an online link, at 9.05am on Friday 13th November 2020.

We would like the children ALL to come in wearing their school P.E. kits on Friday 13th November and to donate £1 to the Appeal.

Not only will they then have the fun of joining in with Joe Wicks, but every child who comes in to school in their school P.E. kit will automatically be entered into a prize draw, to win some Children in Need goodies. There will be three prizes in total and everyone who wears their P.E. kit will be entered.

Be sure to join in and make a difference again this year!
