

## Returning in September

Following on from the letter dated 15<sup>th</sup> July 2020, we thought we would just clarify the changes that we are asking you to make with reference to what the children can bring in.

### Bags

#### Year R & KS1

Every child will be given one of these bags at the beginning of term, so please do not send them in with a bag or book bag.

If you have a book bag, do not worry we hope to reintroduce them hopefully later in the year.

#### KS2

Children can bring in a small bag/ backpack that they can fit their lunch box, water bottle and reading books in.

### Lunchboxes

If your child is having a lunch from home, please can they be brought in either a hard plastic lunch box (which is easier to take apart and clean) or a disposable bag (plastic or paper one), that can be thrown away at the end of their lunch. Please make sure that these are clearly labelled with your child's name,

### PE

PE will still be taking place, and like before each class will have a set day that they will be doing it. The difference will be that instead of bringing PE bags in, we will be asking that on their day the children come dressed in their PE kit rather than their school uniform. We will let you know in September when your child will be having PE.

### Water bottles

Every child will be given a new water bottle in September. The lid will be the child's house team colour.
