

Dear children, parents and carers,

We will be supporting this charity event on **Friday 13th March 2020**. The children are invited to come to school dressed as a sportsman or sportswoman for the day.

During the afternoon, the whole school will take part in a challenge to complete a total of 20 laps of the school playground! Although we say run, the children can jog, waddle, walk or even skip, if they want to! Each class will complete a number of laps, with the older children having more laps to run than the younger ones. The whole school will work together to achieve this goal, with the laps being split as follows:

Bats - 2 laps

Foxes and Crickets – 4 laps

Caterpillars and Ladybirds– 6 laps

Frogs and Ducks - 8 laps

The aim of Sports Relief is to raise money for those who are not as fortunate as we are, so we are asking for a donation of £1 per child. If you feel you would like to give more, then please do.

Let's rise to the Challenge for Sports Relief 2020!

Yours faithfully

Mrs T. Morgan
Headteacher
