

Mathematics

In maths we will continue to develop our multiplication and division skills using the correct sings. We will still be continuing to count to 100, forwards and backwards from any number.

Later in the half term, we will also be looking at halving an objects and shape, and being able to count in steps of 2, 5 and 10.

Year 1 **Owls** **Newsletter**

Autumn 2 2024
School days!

English

In our phonics lessons we will be learning new sounds to help us read and spell

In English, we will be reading a variety of different texts, continuing to add adjectives, and joining clauses with the word 'and'.

Computing

In Computing we will develop our digital photography skills including editing and layering images.

Religious Education

In RE we will be learning about the Journey Mary and Joseph took. We look forward to inviting you to the key stage Nativity in December

Foundation Curriculum

In our foundation subjects we will be recognising the similarities and differences between school now and school 100 years ago. We will be exploring different activities and writing facts for our artefacts we make.

School Trip 22nd November and Victorian Dress up day 3rd December. More info to follow.

Physical Education

This half term PE will be taught on Wednesdays so please ensure PE kits are worn on that day. PE kits should include a house team T-shirt, black shorts, leggings or tracksuit bottoms and appropriate footwear. All Watches and jewellery need to be removed.

In PE we will be learning to develop movement sequences in gymnastics.

Art/Design and Technology

In Art we will be studying famous artist Vincent Van Gogh, looking closely at his art work and recreating out own in his style.

Science

In Science we will be learning about the seasons. The children will learn to identify how the seasons affect the weather, environment, animals and humans.

Ways to support the learning

- Please ensure you are reading with your child 3 times a week on monster phonics. If you would like any additional phonics work for home, please ask.
- Each week, your child will receive new words in their red books to learn to read, a decodable story aiming to increase the speed at which they read and also a library book for you to enjoy with somebody.
- Children will also have different sounds set on EdShed, please make an appointment if you are unsure on anything.
- Attendance is really important for your child, so they do not miss out on valuable learning. Therefore, please continue to support your child coming into school in the morning with lining up on the playground.

If you have any questions please feel free to come and talk to any member of the Year 1 team ☺.
