

Sports Premium Funding 2020 – 2021

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

This academic year Mill Hill primary School will receive £16,000 plus £10 per pupil in years 1-6. The total income for sports premium funding is expected to be **£17570**

There are 5 key indicators that schools should expect to see improvement across:

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sports

Intent	Funding allocated	Implementation	Impact Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps
