

Mill Hill Primary
Sports Premium Funding
2019 – 2020

This academic year Mill Hill primary School will receive £16,000 plus £10 per pupil. The total income for sports premium funding is expected to be £17,590

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Action	Spending	Intended outcome	Actual Outcome
Employment of sport teacher specialist to deliver training to all staff.	£500	Employment of sport teacher specialist to deliver training to all staff in dance.	Not completed due to corona virus pandemic to be carried forward to next year.
Additional swimming lessons for year 5.	£715	Additional swimming lessons for those who require more experiences and to achieve the end of primary standard.	Our year 5 class have benefited greatly from the additional swim time this year although it had been cut short due to the corona virus pandemic. Assessments carried out in February 2020 indicated that: 50% swim 25m back crawl with 1 child able to complete more than 100m. 59% swim 10m back crawl 64% swim 10-25m front crawl. 73% achieved water confidence with a further 18% confident to swim with hand held floats. Some children are attending the local pool for private swimming lessons and are now working their way through the swim programme which we are celebrating in school.
Employment of Sports coach for 3 lunchtimes per week and afternoon to deliver a programme of multi-sports that changes each half-term.	£3510	The aim of this is to offer 6 different sports throughout the year to our children and broaden their experiences.	Sports coached proved to be very popular and the children have spoken positively about their experiences – some have indicated they would like more afterschool clubs including hockey, cricket and golf.
To provide circuit club as a before school club.	£608	Children to have access to circuit club – increase physical activity and mobility of children. Increase TA hours to provide quality adult supervision.	Regular groups of children across the school including early years have made use of the circuit club. The increased adult supervision and quality teaching during these sessions. Enabling children ready for learning at the beginning of the day.

To take part in inter- school sports festivals and other local events,	£500	Organise opportunities for school team to take part in inter-school sports – including rugby, football and athletics. To make use for the cluster group and use the sports leaders to help run the school sports day.	Not completed due to corona virus pandemic to be carried forward to next year. Summer programme of events cancelled due to virus pandemic.
Participate an regular sports activities offered through the cluster across the whole school.	£7000	Purchase of a 2 nd mini bus to transport teams and classes to sporting and outdoor events.	Mini bus purchased by the end of spring 2 ready for use in summer term –
Increase TA time to run sports clubs 2x per week.	£2337	The afterschool clubs will change half-termly in-line with taught PE sessions	The children have had a broad range of sports offered during lunch times across KS1 and KS2 including the more popular football and new sports including netball and hockey by the end of the spring term. The children have also had opportunities to play tennis and short cricket as a part of the lunch time provision. Games and activities are on a cycle and offered across the school. Which had ensured that more of our children have remained active at lunch.
Employment of Sports coach to support and develop planning and delivery of PE sessions	£4560	To up skill the class teacher to ensure that the quality of teaching and delivery remains high.	Sports coach has been an effect way to develop staff who are confident to plan, adapt and teach a range of PE sessions.
TOTAL	£19,370
