Message from Mrs Morgan

It has been a busy week at Mill Hill. I am glad to share some of the highlights with you.

The best part of the week was the PTA spooky film evening. Thank you to the PTA for organising such a fun event. It brought our community together, and everyone who came enjoyed it. Events like this help to build a strong link between home and school.

I am happy to announce our school leadership team for this year. Noah and Olivia have been chosen as Head Boy and Head Girl. They will be helped by their deputies, Grace and Loai. Congratulations to all pupils that were interviewed by the Governors, I look forward to working with them in these important roles.

There has been a lot of interest in this year's residential trip. Trips like this help pupils grow in independence, strength and teamwork. It is great to see so many families keen for their children to take part. Please don't forget to register your child's interest.

Thank you to everyone who gave Harvest produce. Your kindness is much appreciated and shows the caring spirit that makes Mill Hill special. Thank you for supporting this collection.

Finally, the weather is getting colder and wetter. Please remind your child to bring a suitable coat to school each day.

Have a lovely half term break.

Class article - Lakes class

Towards the end of this half-term, Lakes Class have been learning all about Harvest. The children enjoyed exploring the different types of food that are grown and gathered at this time of year, developing their understanding of the importance of the harvest season.

To celebrate their learning, the children proudly shared their knowledge with the rest of the school during a special Harvest assembly, filled with songs, celebration and reflection. They also learned about how Harvest encourages us to support our local community, particularly through food donations for those in need. This provided a valuable opportunity for the children to understand the importance of kindness, generosity and helping others.
