

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 27th June 2025

Message from Mrs Morgan

This week has been particularly memorable as we welcomed our new Year R pupils to school for the very first time. Their enthusiasm and curiosity seen during the stay and play session was a wonderful reminder of the joy that learning brings, and we look forward to supporting them throughout their educational journey with us.

A group of our hockey players attended Havant Hockey Club to trial their after-school hockey programme. This initiative represents an excellent opportunity for our pupils to develop their sporting skills beyond the school environment whilst engaging with the wider community. The pupils approached this experience with determination and sportsmanship, reflecting the high standards we maintain at Mill Hill Primary School.

As we look ahead to the coming week, I must draw your attention to the weather forecast, which indicates that we are expecting hot weather conditions once again. It is essential that pupils come to school appropriately equipped to manage these conditions effectively. Please ensure that your child brings a water bottle, sun hat, and applies sun cream before arriving at school

Transition Day – Wednesday 2nd July

On Wednesday the children will be meeting their new class teacher in preparation for September. The children will be spending the morning in their new classroom, getting to know their teacher and finding out about what happens in their new year group.

Information about who is teaching in which group will be sent home on Tuesday 1st July.

We will be welcoming Miss Beech to our teaching team, but sadly we will be saying goodbye to Miss Cummings and Mrs Symes at the end of this year. We wish them both all the best in their next adventure.

Foxes Class Article

It has come to that time of the year where Year 6 are now taking a moment to relax and chill after their hard work.

They have still been working hard on their lessons, to prepare them for secondary school. However, they are also enjoying some time going out on school trips. So far, they have been to Playzone where they had so much fun, going down all of the big, scary slides.

Soon they will be going bowling and a lucky group will be going paddle boarding.

It will be sad to say goodbye to the Foxes; they have worked extremely hard this year.

Reminder – We are now a cashless school

All visits, water bottle purchases and Year 6 leavers hoodies can now be purchased online.

Please make sure you have set up a SCOPay account for your child, if you need any help with setting up an account, Mrs Chapman in the office is happy to help.

We also use SCOPay for booking parents evening slots.

The only time we will ask for cash is for fundraising events, if this changes, we will let you know.

Important dates

June

Monday 30th – Paddle boarding activity for a group from Year 6

Healthy snacks

When preparing lunches and snacks for your child please can we remind you of a few things -

First we are a **NUT FREE** school - we do have children and members of staff who have nut allergies, so please can you make sure that no items of food containing nuts come into school. This includes chocolate spread.

Children who bring in a packed lunch - we have asked that they bring home the contents of their lunch boxes, as last term we noticed that a lot of food was wasted, that hadn't been touched and was being thrown away. This way you can see what has and hasn't been eaten.

Please consider the contents of your child's lunch box, is there enough variety and healthy options? Large packets of crisps, chocolate bars and sweets are not allowed.

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

Snacks at break time –

Fruit is provided for KS1 (Yrs R-2).

If your child is in KS2 (Yrs 3-6), please can you provide them with a healthy snack i.e. a piece of fruit or cereal bar.
