

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 13th June 2025

Message from Mrs Morgan

With the warmer weather forecast for next week, I would like to emphasise the importance of ensuring that children are dressed appropriately for the varying weather conditions we can expect during this period. The unpredictable nature of British weather requires a thoughtful approach to daily clothing choices, and I encourage all families to prepare accordingly.

Sun protection remains paramount during periods of bright sunshine and elevated temperatures. I strongly recommend that pupils wear sun hats when outdoors, providing essential protection for their heads and faces. Additionally, the application of sun lotion is crucial. These simple yet effective measures will enable our pupils to enjoy outdoor activities.

Given the likelihood of occasional showers, I advise that children bring light coats when weather forecasts indicate the possibility of rain. This means that the children can still go outside and participate in the full outdoor curriculum.

I must also address an important matter regarding appropriate footwear. Crocs are not permitted as school footwear due to safety considerations.

Turning to more celebratory news, I am pleased to announce that Mrs Shaw is expecting her second baby in October. We extend our warmest congratulations to Mrs Shaw and her family during this exciting time.

I must also acknowledge the retirement of Mrs Steadman-Tippett, who has been instrumental in managing medical needs and providing first aid support within our school. Her dedication and expertise have been invaluable to our community, ensuring the health and safety of our pupils with professionalism and care. We wish her every happiness in her well-deserved retirement.

Safeguarding Alert – ‘Jeffy’

We have been made aware of an online 'character' found in YouTube video's that is causing concern by drawing children in and then exposing them to harmful content online. This information has been shared with us by the Local Authority Safeguarding Team and will be shared with all schools across the county. Please have a look at the information and advice contained within the website link below.

Frogs Class Article

This half term we are learning all about Pirates and the seaside!

Last week we had a special mission delivered to us in a message in a bottle by Captain Red Beard. He asked us to follow the clues to work out where he had left his treasure map. Once we had found the map we saw a big X showing us where the treasure was hidden. When we found it, the chest was full of iced gems! Yum!

We have also been enjoying walking the plank over water outside, practising talking like a pirate, searching for treasure in the sand and writing sentences about pirates.

Important dates

June

Wednesday 18th – Afternoon Coffee cancelled this week

Friday 27th – INSET day

Healthy snacks

When preparing lunches and snacks for your child please can we remind you of a few things -

First we are a **NUT FREE** school - we do have children and members of staff who have nut allergies, so please can you make sure that no items of food containing nuts come into school. This includes chocolate spread.

Children who bring in a packed lunch - we have asked that they bring home the contents of their lunch boxes, as last term we noticed that a lot of food was wasted, that hadn't been touched and was being thrown away. This way you can see what has and hasn't been eaten.

Please consider the contents of your child's lunch box, is there enough variety and healthy options? Large packets of crisps, chocolate bars and sweets are not allowed.

<https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

Snacks at break time –

Fruit is provided for KS1 (Yrs R-2).

If your child is in KS2 (Yrs 3-6), please can you provide them with a healthy snack i.e. a piece of fruit or cereal bar.
