

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 2nd May 2025

Message from Mrs Morgan

We recently celebrated Dandelion Day; a special occasion dedicated to our military children. This event provided an opportunity for our school community to acknowledge and support the unique experiences of these pupils.

With the arrival of warmer weather, we have observed an increased enthusiasm among our pupils to be in school. While we appreciate their eagerness, it is crucial to ensure their comfort and well-being during these hot days. I kindly request that parents and carers remember to apply sunscreen to their children before they come to school, provide them with appropriate headwear such as caps, and continue to follow our school uniform policy. It is worth noting that short, hot pants and crocs are not considered suitable school attire. Your cooperation in maintaining our dress code is greatly appreciated.

I am delighted to share some positive feedback we received from our recent school photographer visit. The photographer was particularly impressed by the politeness and respectfulness demonstrated by our pupils while waiting for and having their photographs taken.

Looking ahead, we have an exciting event on the horizon. We will be commemorating VE Day with a special celebration at school. To mark this significant historical event, we invite all pupils to wear blue, red, and white clothing on the day. Further details about the school event have been emailed out prior to today.

Class article – Squirrels class

Red and Grey Squirrels have all been working so hard over the year; however, both Ms Green and Miss Hesling have been particularly impressed with how focused and committed Squirrels have been since returning from a lovely long Easter break.

We would really like to show some of that outstanding work that they have achieved both in their books and in the classroom.

Ingredients:
 water
 salt
 oats

First, slowly pour the brown and white oats into the big bowl then add little bit of fresh water.

Next, add the whole water in the bowl after that, stir it firmly until it's like white water.

After that, boil the gruel until it's bubbling.

Then add a little bit of salt to the hot gruel when you done that you stir so it have a taste.

Make sure that it is tempid before you serve it.

Finally, serve it and eat the gruel.
