

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 28th March 2025

Message from Mrs Morgan

As we approach the end of another eventful week at Mill Hill, I am pleased to share with you some of the highlights that have made our school community shine.

Our pupils have once again demonstrated their enthusiasm and creativity, particularly during our recent 80s-themed Comic Relief Day. The array of vibrant outfits that filled our corridors was truly impressive, showcasing the dedication and imagination of our pupils and their families. It was heartening to witness the genuine enjoyment on the children's faces as they immersed themselves in the music of that era, creating a lively and nostalgic atmosphere throughout the school.

In the spirit of community engagement, we held our own clothes day in support of our hardworking PTA. The response was overwhelming, with pupils eagerly exchanging their uniforms for casual attire and generously contributing chocolate items.

I am also delighted to announce a new initiative that has been introduced by Mrs Smith. Every Wednesday afternoon, she now hosts an afternoon tea group, providing a wonderful opportunity for members of our school community to come together in a relaxed setting.

As we reflect on these events, it is evident that the spirit of Mill Hill Primary School continues to thrive through as we head into the Easter period.

Class article – Hedgehogs class

This term, Hedgehogs have started their learning about the Romans. We have started to explore where the Romans are from, what the Romans did and why they invaded Britain. Hedgehogs got to explore artefacts from the Roman times and try to match the source to the fact.

During our afternoon learning, we have been investigating how to make a mini Roman catapult. Hedgehogs have experimented with tape and elastic bands to see which is more effective for attaching the lolly sticks together.
