

‘Exceptional learners who are nurtured and prepared for tomorrow’

Monday 20th January 2025

Message from Mrs Morgan

As we settle into the new term, I am pleased to report that our pupils have seamlessly transitioned back into the routine of school life. It is lovely to observe their enthusiasm for learning and their readiness to embrace the challenges and opportunities that lie ahead.

I would like to express my sincere gratitude to all parents who have been instrumental in supporting our expectations. Your collaboration is invaluable, particularly when class teachers engage in discussions with you regarding your child's wellbeing and behaviour. This partnership between home and school is fundamental to ensuring the best possible outcomes for our pupils.

There is an increasing sense of excitement among our Year 4, 5, and 6 pupils as they eagerly anticipate their upcoming visit to the O2 as part of the Young Voices event. This event promises to be a memorable experience, combining educational value with the thrill of visiting such an iconic venue.

It is with great pleasure that I share news of a touching initiative that has emerged from our school community. A JustGiving page has been established in honour of Mrs Wicks, with all proceeds being generously donated to our school. This thoughtful gesture not only commemorates Mrs Wicks but also contributes to the enrichment of our pupils' educational experience. We are currently in the process of considering how best to utilise these funds and welcome suggestions from our school families. I am delighted to announce that the fundraising efforts have surpassed all expectations, with the current total standing at an impressive £2,100. This figure has exceeded the target initially set by Mrs Wicks' family.

On a practical note, I must remind all parents and pupils of several important notices. Firstly, smart watches are not permitted on school premises. We kindly ask for your cooperation in ensuring that these devices remain at home. Secondly, given the current cold weather conditions, it is essential that all pupils come to school equipped with appropriate coats. Lastly, I would like to emphasise the importance of adhering to our uniform policy, which includes wearing the correct school shoes.

Class article – Frogs class

In Frogs class we have had a super start to the new year. We began by reflecting on our year so far, how much we have learned and enjoyed about being at school so far. We then thought about our wishes for 2025 and made New Year resolutions. Some children made promises to tidy up their room at home! Others promised to learn how to do up their own zip or shoe laces.

Frogs have made a great start to the Spring term. We have started our learning about Jack and the Beanstalk and have been doing some planting of our own.

We all enjoyed using a parachute in Music this week to represent how the music flows.

Success of the week

CM Sports were very impressed with Years 2 & 6, as they were doing excellent listening during their PE sessions with them.

Important dates

January

Tuesday 21st – No Year 5 swimming

Friday 24th – Young Voices concert at the O2

Monday 27th – Year 1 visit to Marwell Zoo
