

‘Exceptional learners who are nurtured and prepared for tomorrow’

Wednesday 18th December 2024

Message from Mrs Morgan

As we approach the festive season, I am pleased to share with you the various events and activities that have been taking place at school. The atmosphere in our school has been filled with excitement and anticipation.

This week marks the commencement of our Key Stage 1 Nativity performance, a tradition that showcases the talents of our younger pupils. We are also looking forward to our Christmas lunch and associated activities, which promise to bring joy and merriment to all.

Recently, we participated in Christmas Jumper Day in support of Save the Children. It was great to see the array of delightful jumpers worn by our pupils and staff, demonstrating both creativity and a commitment to charitable causes.

While this time of year can be overwhelming for many children, we at Mill Hill strive to maintain a careful balance between structured learning and festive activities. Our aim is to ensure that all pupils can enjoy the season while continuing their educational journey.

I would like to extend my gratitude to our dedicated PTA for organising the Christmas raffle. I encourage all parents to purchase tickets and support this wonderful initiative.

Finally, I would like to bring your attention to two important dates. This Friday, we will conclude our school day at 1:15 pm. Additionally, please note that Monday, 6th January, is an inset day, and the school will be closed to pupils.

Wishing you all a peaceful and restful holiday season.

Thank you.

Class article – Owls class

The Owls had an amazing Victorian Day – when we all dressed up to take part in a Victorian school day.

We followed a real Victorian timetable and played Victorian playtime games.

Though it was lots of fun, we prefer school in 2024

Success of the week

Our Year 3 pupils.

Their trip to Butser Ancient Farm was exemplary, with staff at the venue commending their behaviour and adherence to the Mill Hill Values.

A special thank you goes out to the parent volunteers who assisted with this educational excursion.

Outdoor Learning

Lots has been happening in our new outdoor learning space.
