

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 27th September 2024

Message from Mrs Morgan

As we move through the autumn term and the changing weather, we kindly request that all pupils come to school equipped with appropriate outerwear. A waterproof coat is essential to ensure our children remain comfortable and dry during outdoor activities and playtimes. Additionally, I must emphasise the importance of pupils bringing their water bottles to school daily. Proper hydration is crucial for maintaining focus and energy throughout the school day.

Recently, we held our 'Meet the Teacher' event, which unfortunately saw a lower turnout than anticipated. We value the home-school partnership immensely and are keen to explore ways to make such events more accessible to all parents. Your feedback on this matter would be greatly appreciated, as it will help us tailor future events to better suit the needs of our school community.

I must draw your attention to a concerning trend we have observed recently: a decline in pupil attendance. Regular attendance is fundamental to your child's educational progress and overall school experience. We kindly ask for your cooperation in ensuring your child attends school consistently and punctually.

On a more positive note, I would like to express my heartfelt gratitude for the overwhelming support shown for Mrs Wicks. The sea of yellow worn by pupils and staff alike was a touching tribute, and the understanding demonstrated regarding the school closure was deeply appreciated. We will be sharing further information about how we plan to commemorate Mrs Wicks later in the academic year.

Success of the week - Morning clubs

Well done to the children who have been arriving early in school to attend the morning clubs.

Class article – Foxes class

We cannot believe that we are in Year 6! How time flies by!

This half term, we have been practicing how to be good role models for the rest of the school. These skills will be useful for next week, when we go for our head boy and head girl interviews; there are quite a number of us, who are interested in these positions. Watch this space!

Finally, we received our school ties. We had to earn these by showing how we were good role models for the rest of the school and demonstrating the school values.
