

‘Exceptional learners who are nurtured and prepared for tomorrow’

Friday 13th September 2024

Message from Mrs Morgan

It is with great pleasure, that I welcome you all back to the start of a new term. The corridors and classrooms of our school have once again come alive with the enthusiasm and energy of our pupils, creating an atmosphere of excitement and anticipation for the academic year ahead.

As I walked through the school this week, I was struck by the smart appearance of our pupils in their uniforms. The pride they take in their presentation is a testament to their commitment to our school and its values.

What has been particularly heartening to observe is the eagerness with which our pupils have proached their learning.

Success of the week

Our first half of Bats have been for their first swimming lesson at Horizon Leisure Centre. They were extremely polite and well behaved when they were there.

Well done Bats!

Start of the Day

Gates open at 8.30am, and members of staff will be on the playground to greet the children.

To encourage independence in the mornings we would like to ask that the children to come onto the playground on their own and start lining up, ready to come into school at 8.40am

How to find out how your child is doing?

We have three formal opportunities over the year to find out how your child is doing in their learning, two parents evenings later in the year and over the next two weeks we offer ‘Meet the Teacher’ sessions. This means that you can have a look around your child’s class and talk to the teacher about their expectations for the year.
